

What is the Leopard dashboard?

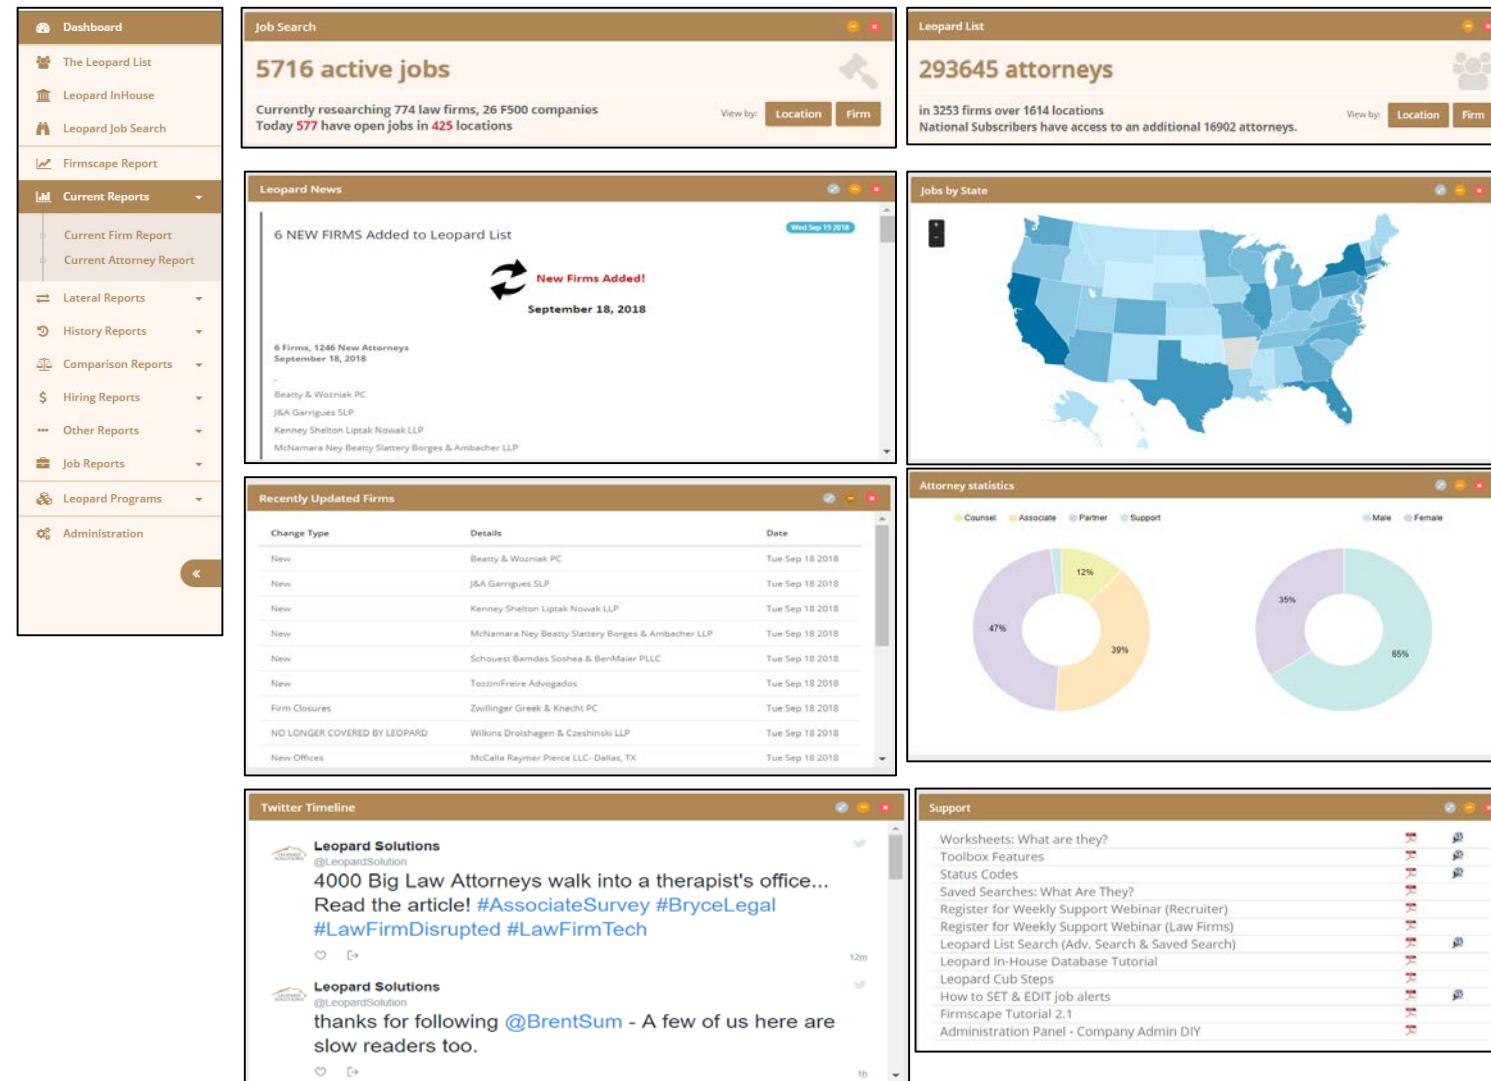

The dashboard your first stop after logging in. It provides you with:

- Overview of the total number of attorneys in Leopard List
- Number of active jobs in Jobs
- Heat map of available attorney jobs
- Firm updates:
 - New offices/additions
 - Recently closed offices
- Support documentation
- Social media feed

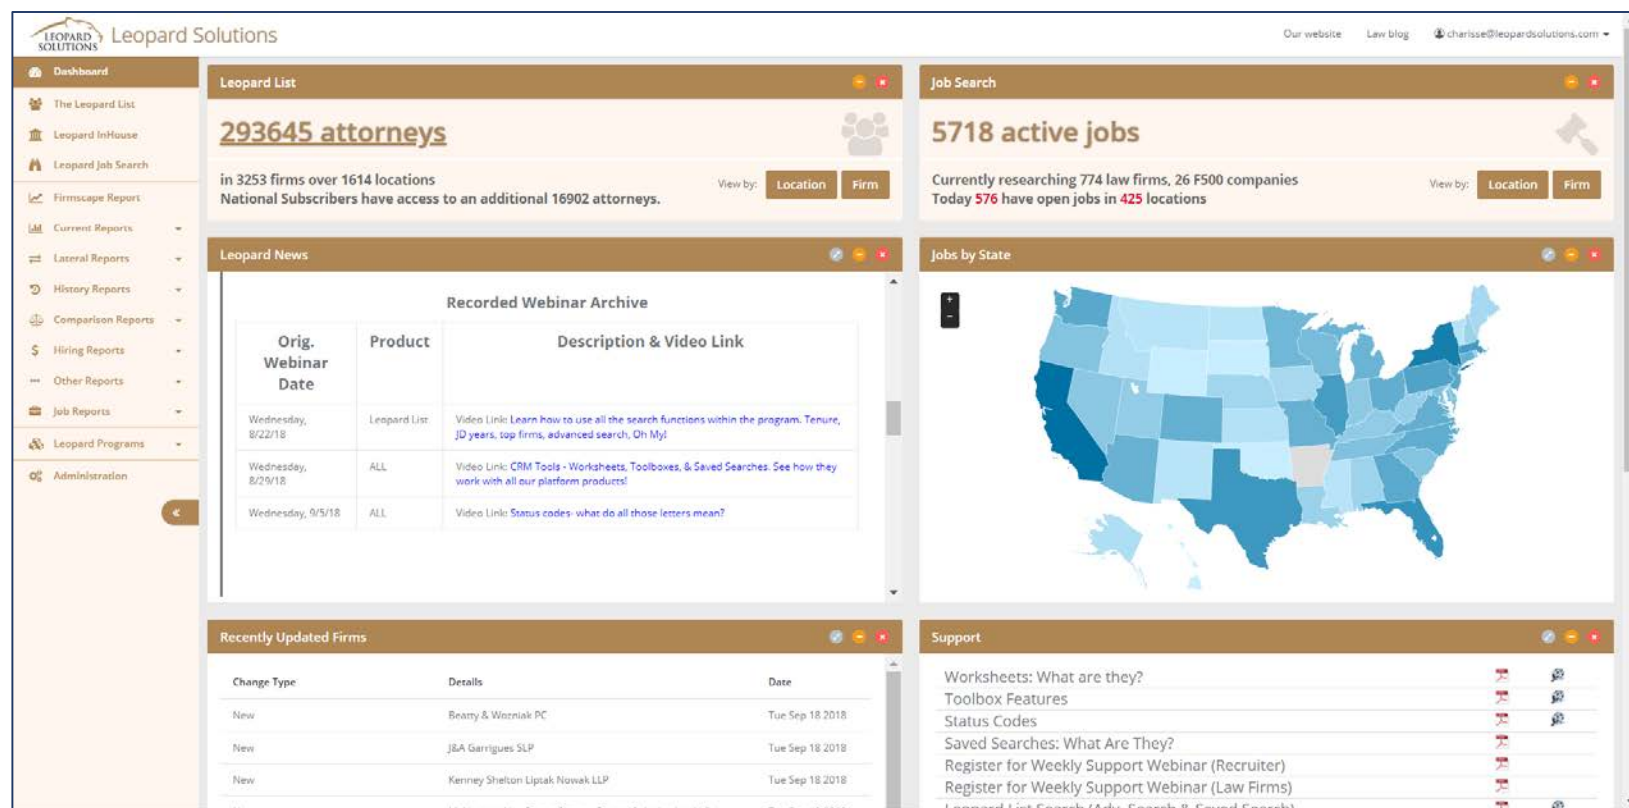

Dashboard Blocks

- Overview of data and information updated and new to the platform
- See only the items you want to see by moving or removing data/news blocks
- Scroll to see what else has been going on

Dashboard Blocks (cont'd)

- Dashboard
- Leopard List
- Job Search
- Jobs by State
- Leopard News
- Recently updated firms
- Attorney statistics
- Support
- Twitter timeline

The screenshot displays the Leopard Solutions dashboard interface. On the left is a vertical sidebar menu with the following items: Dashboard, The Leopard List, Leopard InHouse, Leopard Job Search, Firmscape Report, Current Reports, Lateral Reports, History Reports, Comparison Reports, Hiring Reports, Other Reports, Job Reports, Leopard Programs, Administration, and Leopard Administration. The main content area is divided into four panels. The top-left panel, titled 'Leopard List', shows '289700 attorneys' in '3232 firms over 1582 locations' and mentions 'National Subscribers have access to an additional 17023 attorneys.' It includes a 'View by:' toggle with 'Location' and 'Firm' options. The top-right panel, titled 'Job Search', shows '5676 active jobs' and states 'Currently researching 769 law firms, 26 F500 companies' with '582' open jobs in '416' locations. It also has a 'View by:' toggle for 'Location' and 'Firm'. The bottom-left panel, titled 'Leopard News', features a 'Webinar Wednesday!' announcement for 'Tue Aug 21 2018' with the hashtag '#WEBINARWEDNESDAYS' and a link to 'Sign up for #WebinarWednesday'. The bottom-right panel, titled 'Jobs by State', displays a map of the United States with states shaded in various blue tones. A Windows watermark is visible in the bottom right corner of the map panel.
